At a Republican rally in Washington, D.C., on Thursday, September 19, billed as “*opposing antisemitism*,” Donald Trump made several remarks that lived up to his title of “America’s First Zionist President.” Leaving the “Make America Great Again” mantra, Trump promised his audience that he would “make Israel great again.”

With Zionist mega-billionaire Miriam Adelson looking on (Adelson gave Trump over one hundred million dollars for his promise that, if elected, **he would support Israel's purge of the Palestinians in Gaza and the West Bank**, as she and her late husband, Sheldon, did in 2016 for Trump's promise to move the U.S. Embassy to Israel from Tel Aviv to Jerusalem), Trump said that the upcoming U.S. election is "the most important" in **Israel's** history.

So much for making **America** great again! **It is clear that Donald Trump is an agent of the State of Israel and would use the White House (as he did during his first term in office) as an asset of the Zionist state**—even more than did Joe Biden.

As I have said many, many times: **There is only ONE party in Washington, D.C., and that's the War Party.** In this regard, the only difference between Kamala Harris and Donald Trump is that **Harris would take America to war with Russia over Ukraine, while Trump would take America to war with Russia (and perhaps China and Iran and Lebanon and Iraq and Syria and Jordan and Egypt and Turkey) over Israel.**

In Trump's sycophantic speech on behalf of Zionist Jews, he boasted:

I gave them Golan Heights. I gave them the Abraham Accords. I recognized the capital of Israel and opened the Embassy in Jerusalem. And most importantly of all, I terminated the Iran nuclear deal, which was the worst deal ever made in the history of Israel.

I was there four years, gave them billions and billions of dollars.

Also, during his speech, Trump alluded to one of his social media posts that he wrote in 2022 saying,

Wonderful Evangelicals are far more appreciative of (his Israel record) than the people of the Jewish faith.

Indeed. When it comes to Israel, the vast majority of evangelicals are the most duped, the most deceived, the most beguiled, the most *bewitched* people on the planet. (Galatians 3:1 – 29)

**If any other nation on earth had committed the unmistakable War Crime of exploding 1,500 electronic handheld devices indiscriminately among a peaceful civilian population, resulting in casualties numbering over 3,000 (most of them innocent civilians, including a large percentage of women and children), as Israel did in Lebanon, U.S. reaction—including America’s evangelicals—would be swift and furious. That nation would rightly be called a terrorist state and accused of War Crimes; and the leader of that country would rightly be called a terrorist and international War Criminal.**

Well, that’s exactly what the State of Israel and Benjamin Netanyahu are! But Donald Trump and his “*wonderful evangelicals*” **not only say nothing in opposition to Israel’s acts of terror and genocide, but they audaciously support those acts of terror and genocide.**

And make no mistake about it: Israel IS a terrorist state and has been since its inception in 1948. On a daily basis for 76 years, Zionist Israel has committed, and continues to commit, ethnic cleansing, genocide and international War Crimes and Crimes Against Humanity.

According to the **Rome Statute of the International Criminal Court (ICC) Article 7:**

### **Crimes Against Humanity**

1. For the purpose of this Statute, “crime against humanity” means any of the following acts when committed as part of a **widespread or systematic attack directed against any civilian population**, with knowledge of the attack:

- Murder; **Israel is guilty**
- Extermination; **Israel is guilty**

- Enslavement; **Israel is guilty**
- Deportation or forcible transfer of population; **Israel is guilty**
- Imprisonment or other severe deprivation of physical liberty in violation of fundamental rules of international law; **Israel is guilty**
- Torture; **Israel is guilty**
- Rape, sexual slavery, enforced prostitution, forced pregnancy, enforced sterilization, or any other form of sexual violence of comparable gravity; **Israel is guilty**
- Persecution against any identifiable group or collectivity on political, racial, national, ethnic, cultural, religious, gender as defined in paragraph 3, or other grounds that are universally recognized as impermissible under international law, in connection with any act referred to in this paragraph or any crime within the jurisdiction of the Court; **Israel is guilty**
- Enforced disappearance of persons; **Israel is guilty**
- The crime of apartheid; **Israel is guilty**
- Other inhumane acts of a similar character intentionally causing great suffering, or serious injury to body or to mental or physical health. **Israel is guilty**

## 2. For the purpose of paragraph 1:

- “Attack directed against any civilian population” means a course of conduct involving the multiple commission of acts referred to in paragraph 1 against any civilian population, pursuant to or in furtherance of a State or organizational policy to commit such attack; **Israel is guilty**
- “Extermination” includes the intentional infliction of conditions of life, inter alia the deprivation of access to food and medicine, calculated to bring about the destruction of part of a population; **Israel is guilty**
- “Enslavement” means the exercise of any or all of the powers attaching to the right of ownership over a person and includes the exercise of such power in the course of trafficking in persons, in particular women and children; **Israel is guilty**
- “Deportation or forcible transfer of population” means forced displacement of the persons concerned by expulsion or other coercive acts from the area in which they

are lawfully present, without grounds permitted under international law; **Israel is guilty**

- “Torture” means the intentional infliction of severe pain or suffering, whether physical or mental, upon a person in the custody or under the control of the accused; except that torture shall not include pain or suffering arising only from, inherent in or incidental to, lawful sanctions; **Israel is guilty**
- “Forced pregnancy” means the unlawful confinement of a woman forcibly made pregnant, with the intent of affecting the ethnic composition of any population or carrying out other grave violations of international law; **Israel is guilty**
- “Persecution” means the intentional and severe deprivation of fundamental rights contrary to international law by reason of the identity of the group or collectivity; **Israel is guilty**
- “The crime of apartheid” means inhumane acts of a character similar to those referred to in paragraph 1, committed in the context of an institutionalized regime of systematic oppression and domination by one racial group over any other racial group or groups and committed with the intention of maintaining that regime; **Israel is guilty**
- “Enforced disappearance of persons” means the arrest, detention or abduction of persons by, or with the authorization, support or acquiescence of, a State or a political organization, followed by a refusal to acknowledge that deprivation of freedom or to give information on the fate or whereabouts of those persons, with the intention of removing them from the protection of the law for a prolonged period of time. **Israel is guilty**

Under **Article 8, War Crimes**, we find listed (abbreviated):

1. The Court shall have jurisdiction in respect of war crimes in particular when committed as part of a plan or policy or as part of a large-scale commission of such crimes.
2. For the purpose of this Statute, “war crimes” means:

Torture or inhuman treatment, **Israel is guilty**

Wilfully causing great suffering, or serious injury to body or health; **Israel is guilty**

Extensive destruction and appropriation of property, not justified by military necessity and carried out unlawfully and wantonly; **Israel is guilty**

Israel has deliberately and with total abandon bombed hospitals, nurseries, schools, colleges, aid shelters, food distribution areas, ambulances, churches, mosques, civilian tent dwellings, houses of journalism, private homes with whole families inside, entire neighborhoods, entire villages, water supplies, food supplies, medical supplies and electrical supplies. Israel has also deliberately and with total abandon destroyed almost all of the agricultural land, which is the primary source of livelihood and life in Gaza.

Intentionally directing attacks against the civilian population as such or against individual civilians not taking direct part in hostilities; Intentionally directing attacks against civilian objects, that is, objects which are not military objectives; **Israel is guilty**

Israel is guilty of this War Crime on a daily basis. Israel's random and reckless pager explosions among the civilian population of Lebanon were a flagrant violation of this section and is, thus, clearly condemned as a War Crime under international law—and God's Natural and moral laws, by the way.

Intentionally directing attacks against personnel, installations, material, units or vehicles involved in a humanitarian assistance or peacekeeping mission. **Israel is guilty**

We saw the Israeli War Crime mentioned here on live video when rescue workers were rushing to save a little 5-year-old girl, whose entire family had been killed, as she was hiding in a destroyed vehicle waiting for rescue workers to come save her. The Israeli forces patiently waited for those unarmed rescue workers to arrive and then fired their missiles, which murdered not only the rescue workers but also the little girl.

Intentionally launching an attack in the knowledge that such attack will cause incidental loss of life or injury to civilians or damage to civilian objects or widespread, long-term and severe damage to the natural environment which would be clearly excessive in relation to the concrete and direct overall military advantage anticipated; **Israel is guilty**

Again, the pager bombings, the destruction of civilians en masse, the destruction of the agricultural land of Gaza, etc., are here identified as War Crimes.

Attacking or bombarding, by whatever means, towns, villages, dwellings or buildings which are undefended and which are not military objectives; **Israel is guilty**

Killing or wounding a combatant who, having laid down his arms or having no longer means of defence, has surrendered at discretion; **Israel is guilty**

We have seen the Israeli military commit this War Crime on live video.

Making improper use of a flag of truce, of the flag or of the military insignia and uniform of the enemy or of the United Nations, as well as of the distinctive emblems of the Geneva Conventions, resulting in death or serious personal injury; **Israel is guilty**

We have seen Israeli forces commit this War Crime on live video.

The transfer, directly or indirectly, by the Occupying Power of parts of its own civilian population into the territory it occupies, or the deportation or transfer of all or parts of the population of the occupied territory within or outside this territory; **Israel is guilty**

Intentionally directing attacks against buildings dedicated to religion, education, art, science or charitable purposes, historic monuments, hospitals and places where the sick and wounded are collected, provided they are not military objectives; **Israel is guilty**

Destroying or seizing the enemy's property unless such destruction or seizure be imperatively demanded by the necessities of war; **Israel is guilty**

Declaring abolished, suspended or inadmissible in a court of law the rights and actions of the nationals of the hostile party; **Israel is guilty**

Pillaging a town or place, even when taken by assault; **Israel is guilty**

Employing weapons, projectiles and material and methods of warfare which are of a nature to cause superfluous injury or unnecessary suffering or which are inherently indiscriminate in violation of the international law of armed conflict. **Israel is guilty**

Again, indiscriminate mass bombings of innocent unarmed civilians by Israeli military forces take place every day in Gaza—and now in the West Bank and Lebanon.

Committing outrages upon personal dignity, in particular humiliating and degrading treatment; **Israel is guilty**

We've seen plenty of photos of Israeli forces committing this War Crime.

Intentionally directing attacks against buildings, material, medical units and transport, and personnel using the distinctive emblems of the Geneva Conventions in conformity with international law; **Israel is guilty**

Intentionally using starvation of civilians as a method of warfare by depriving them of objects indispensable to their survival, including wilfully impeding relief supplies as provided for under the Geneva Conventions. **Israel is guilty**

This is the Israel that Donald Trump wants to make *great*? Yes.

This is the Israel that evangelicals claim are God's chosen people? Yes.

This is the Israel that uses lobby groups such as *AIPAC* to dominate our U.S. Congress and most state governors? Yes.

This is the Israel that the War Party in Washington, D.C., wants to take America to nuclear war with Russia over? Yes.

Yes! Yes! Yes! Yes!

Israel and Ukraine! Yes!

And if somehow America miraculously avoids a nuclear confrontation with Russia over Ukraine or Israel, the bloodthirsty (and money-hungry) War Party in D.C. will find another monster for the United States to destroy.

I personally believe that the Jewish bankers (Rothschilds) manipulated the founding of Zionist Israel in 1948 at the conclusion of the Second World War for the specific purpose of destabilizing not just the Middle East but the entire world to make sure that perpetual war continued beyond the Paris Peace Treaties in 1947. I further believe that the history of the State of Israel—up to the present hour—substantiates my belief.

Soon after America's founding, French historian Alexis de Tocqueville wrote that America was "*great*" because America was "*good*."

If goodness is the prerequisite for greatness, Zionist Israel will never be great, because Zionist Israel will never be good.
